**Director's Report**

Been a great year with a few setbacks and adjustments, are in a great place. We continue to receive registrations, definitely over 100, next week will begin individual outreach. Met with 8th graders at both schools, they shared how to access and bookmark music and recordings. Provided login information for SportsU which will be our communication tool moving forward. Considering a parent group within the app for communications. Took a list of those who will need school owned instruments starting next year. Leadership materials went to those interested in interviewing for student leader roles. Interviews will be on a varied schedule. If there is interest and the schedule does not work, contact the Directors. Half time packets and recordings were shared with the students. We are in full swing for graduation band, 8 rehearsals remain. Report time is 7:30 am on graduation day. Movie night (May 20) choice voting is underway. Fields for the upcoming season have been reserved, allowing us to prepare the Band Camp schedule. Successful end of year celebration last week, memory books were well received, very much like a school yearbook. Uniform fittings started today (May 12), thank you to Kristin and Natalie; our goal is to complete as many as possible this week, will finish all returning students next week. John Honeycutt, Percussion instructor, will be with us on Tuesdays and Thursdays. Our 2025-2026 concerts dates have been set up and are in the school scheduling system. Thank you to the Stevens family for all of the great video and camera work over the years. We are grateful for all of the wonderful images we have! We expect 50 Jones students and 75 Hastings students with interest in the band. Mr. Fessler expects a great Freshman class next year. Mr. Redman thanks the Boosters for the support this year, we are on a great trajectory, and we are having fun!
